

## Stage weken voor de opleiding Master Informatica

**Titel: Extending CAM capabilities**

**Gegevens bedrijf:**

Naam: ARDIS Information Systems NV

Tel: 050 72 89 89

Contactpersoon: Kenny De Klerck

mailadres: [Kenny.DeKlerck@ARDIS.eu](mailto:Kenny.DeKlerck@ARDIS.eu)

Adres waar de student zal werken: Brugstraat 75, 9880 Aalter

**Korte of lange stage: 4 weken / 6 weken**

**Korte beschrijving van de opdracht:**

ARDIS® is the machine independent global market leader for optimization & manufacturing software. Our cutting-edge software offers a modular all-in-one platform specifically designed and built for the sheet/bar/coil cutting industry.

The student will become part of our R&D team to work on our rapidly growing CAM solution. The ARDIS R&D team is a passionate team with a broad mix of talents and skills, supporting personal growth and ambition.

During the internship, the student will work on expanding the seamless integration with industry standard machinery. This by expanding our range of state of the art interfaces and post processors.

**Technologieën die aan bod zullen komen:**

- .NET Framework
- C#
- WPF
- Git (with tools like BitBucket and Jira)
- Unit and integration testing
